

ACOPERIS

ROOF

Accesul pe acoperis de face doar in baza Permisului de lucru si al Permisului de lucru pe acoperis, cu respectarea tuturor masurilor de siguranta!

Access to the roof is allowed only with a Work Permit and a Roof Work Permit, while following all safety measures!

Verificarea echipamentului individual de protective pentru lucru la inaltime este obligatorie inainte de a urca pe acoperis!

Checking your personal protective equipment for working at heights is mandatory before going up on the roof!

Intotdeauna se lucreaza in echipa de minim 2 persoane!

Always work in a team of at least 2 people!

Asigurati-va ca aveti stabilit un plan si echipament pentru salvare in caz de cadere de la inaltime!

Make sure you have a plan and equipment in place for rescue in case of a fall from height!
